

BRILLIANCE MEDICALCLEANER PROTECT & CARE

Description

BRILLIANCE MEDICALCLEANER PROTECT & CARE is a ready-to-use, liquid and fast-acting, alcoholic hand disinfectant for professional and private use. It can be used in all hygiene-relevant areas of the healthcare system, for professional use in industry, trade, public buildings and private consumers for cleaning contact surfaces. Due to its high alcohol content, it is very effective and can thus be used to effectively prevent infection. It is used for hygienic cleaning against bacteria, yeasts and enveloped viruses (such as influenza or corona) and is therefore ideally suited for hospitals, medical practices, building cleaners, nursing services, schools or other companies and professional users to protect the health of employees and visitors.

Certifications:

BauA Reg.Nr.: 89290
